My husband and I love to grill and cook. We love to try new recipes. I enjoy baking. Being with my children and my three grandchildren is a great joy. I also love to work in my yard with the flowers and the garden. Reading is a great pastime. I also like to needle point, but I have little time for it. I also enjoy the outdoors and like to hike. This year I will try to exercise more. Of course, I love my career in teaching and treasure each and every student!
